

Engineering Better Textiles

Delivering Chemistry that Powers Bangladesh's Textile Industry.

ABOUT US

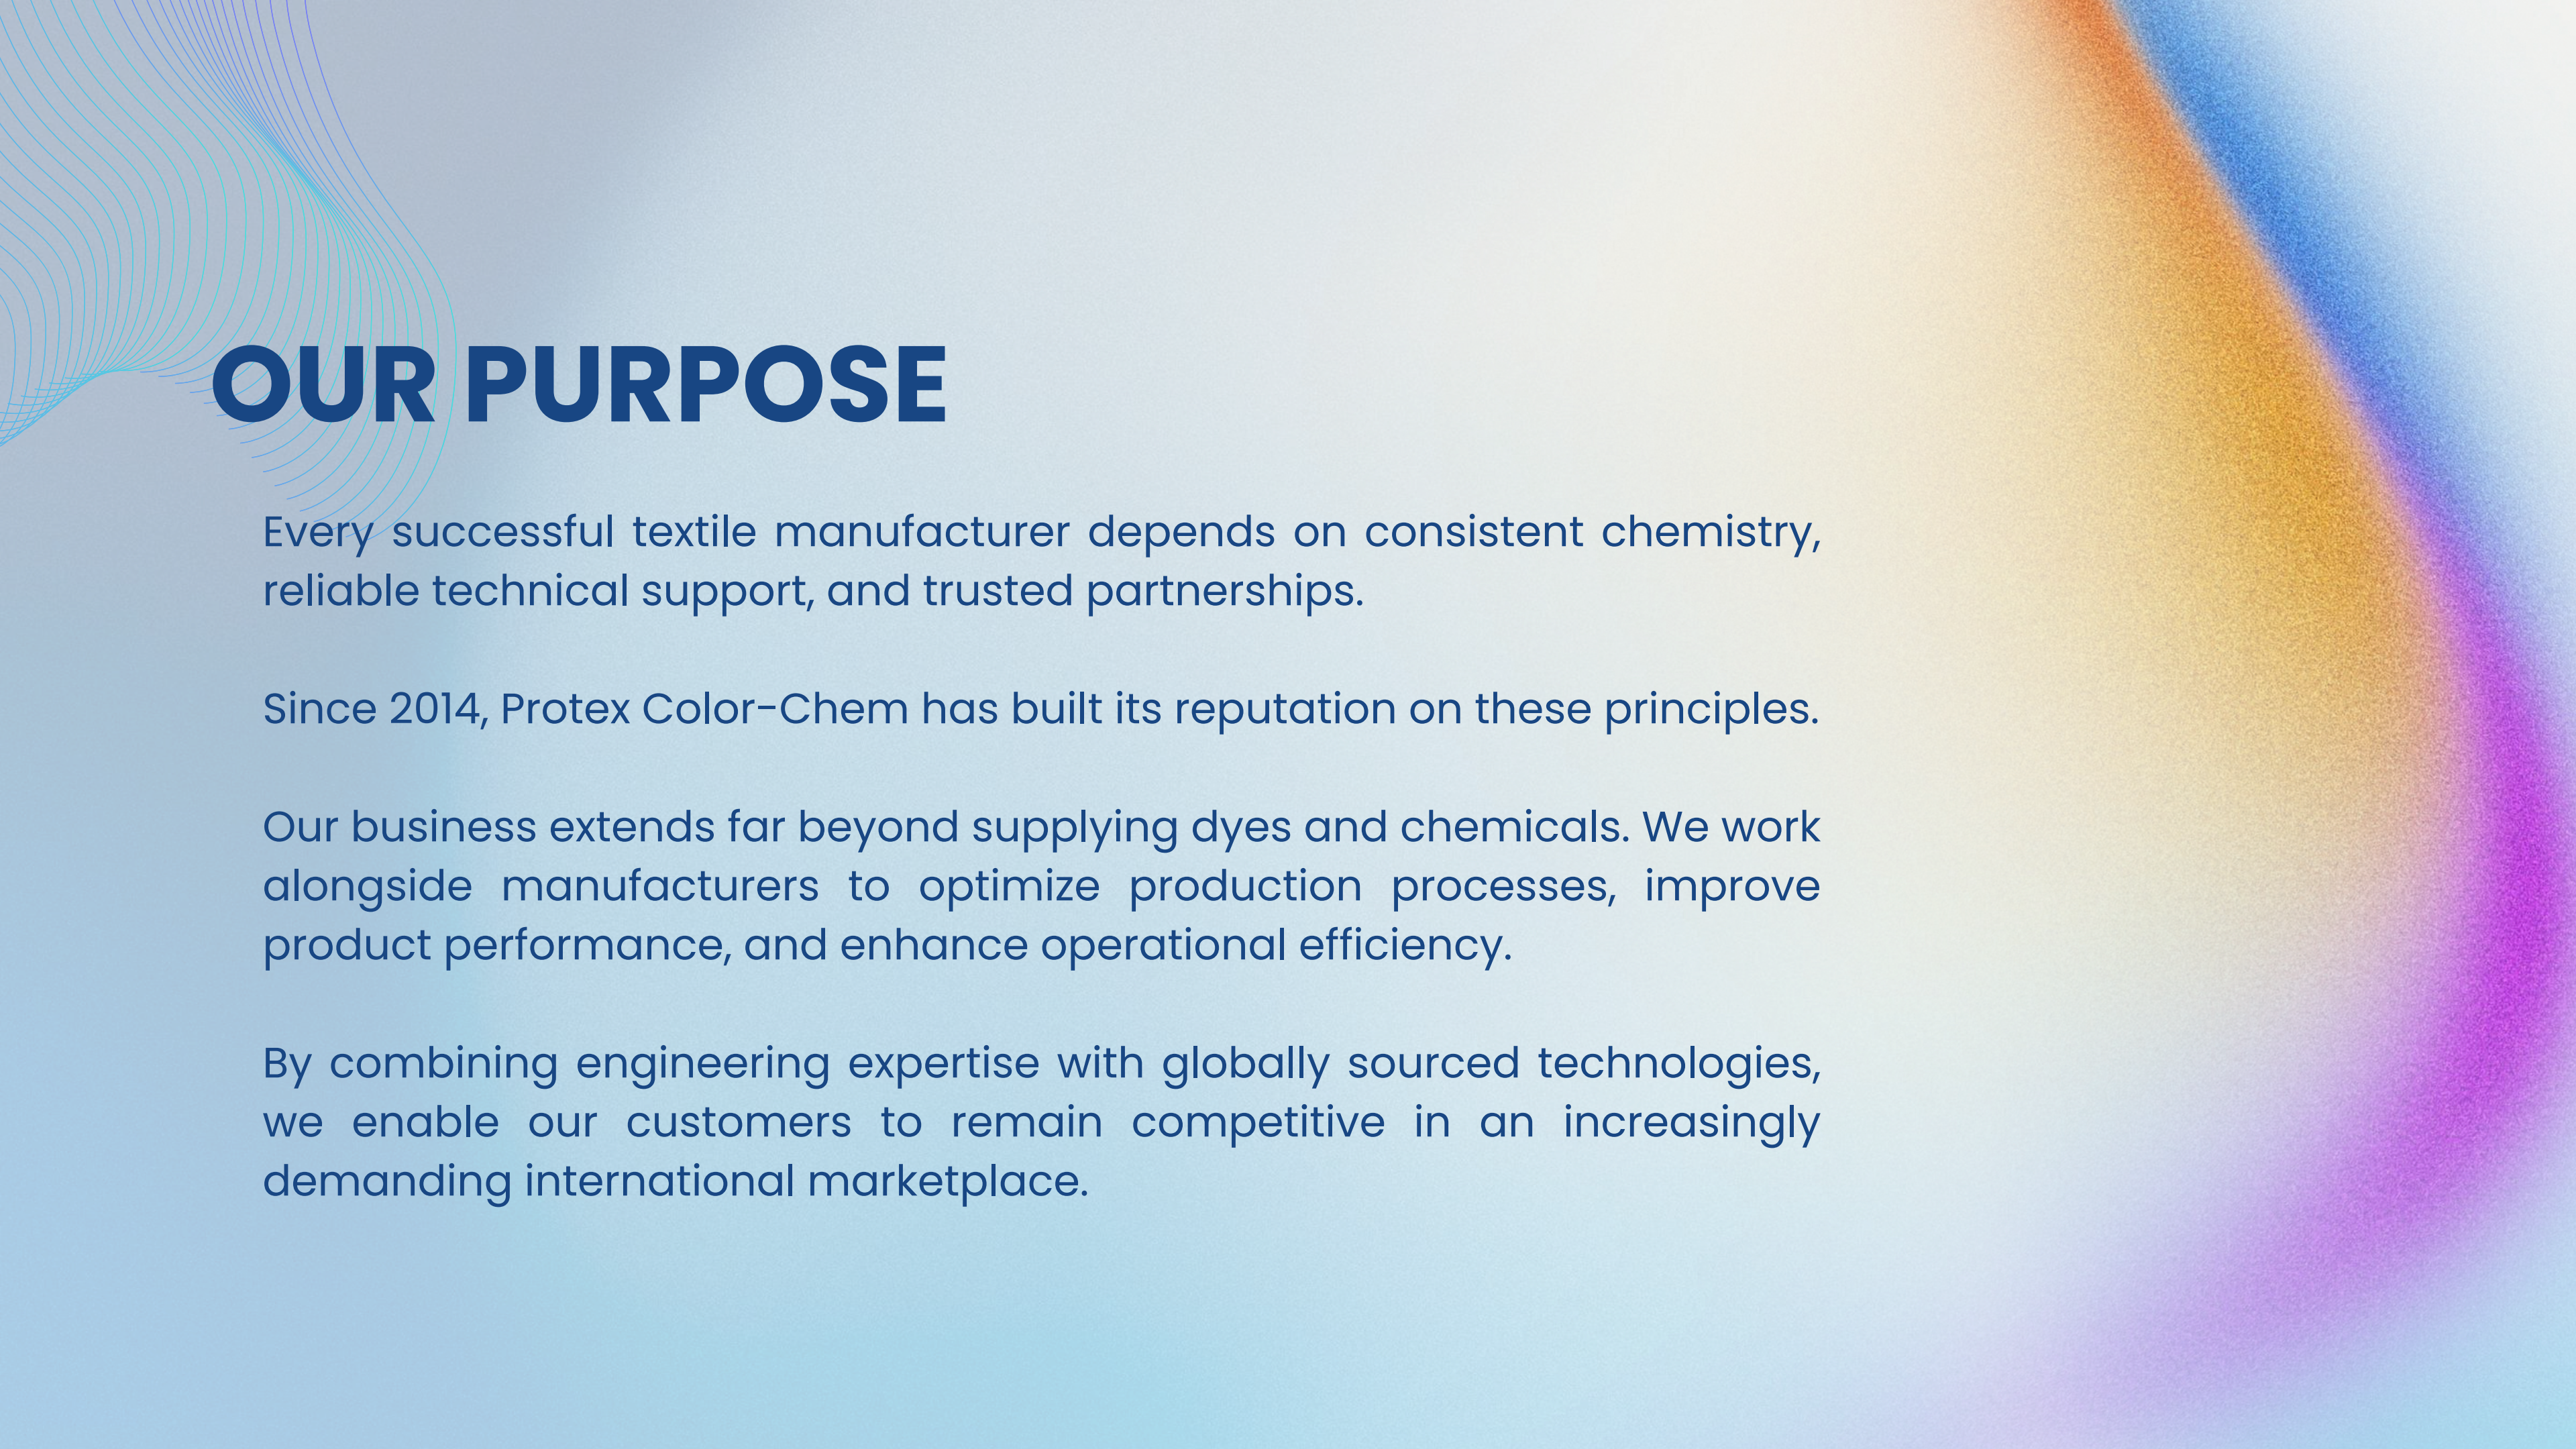

Established in 2014, Protex Color-Chem is a leading importer, distributor, and technical solution provider specializing in textile dyes, auxiliaries, garment washing chemicals, denim processing solutions, and textile printing products in Bangladesh.

By combining international partnerships with deep technical expertise, we help textile manufacturers improve production efficiency, product quality, and sustainable manufacturing practices.

Today, Protex Color-Chem serves spinning mills, knit dyeing units, woven dyeing factories, composite textile mills, denim manufacturers, garment washing facilities, and textile printing industries across Bangladesh.

COMPANY SNAPSHOT

Established	2014
Industry/ Business Segment	Textile Dyes & Specialty Chemicals
Headquarters	Plot #47 (Flat-6B), Priyaprangon Azizah, Road #15 Sector #3, Uttara, Dhaka, Bangladesh.
Business Model	Import • Distribution • Technical Solutions
Markets Served	Bangladesh
Global Partners	India • Taiwan
Product Portfolio	Textile Chemicals, Dyes & Printing Solutions

OUR PURPOSE

Every successful textile manufacturer depends on consistent chemistry, reliable technical support, and trusted partnerships.

Since 2014, Protex Color-Chem has built its reputation on these principles.

Our business extends far beyond supplying dyes and chemicals. We work alongside manufacturers to optimize production processes, improve product performance, and enhance operational efficiency.

By combining engineering expertise with globally sourced technologies, we enable our customers to remain competitive in an increasingly demanding international marketplace.

A MESSAGE FROM OUR FOUNDER

At Protex Color-Chem, we believe true success is built on trust, innovation, and lasting partnerships. Since 2014, our mission has been to deliver more than quality textile chemicals—we strive to provide the expertise, reliability, and technical support that help our customers grow with confidence.

As Bangladesh's textile industry continues to evolve, we remain committed to creating sustainable value through advanced solutions, continuous innovation, and a customer-first approach.

Together, we are shaping a stronger future for the textile industry.

"We don't just supply chemicals—we build partnerships that create lasting value."

MD KUMRUZZAMAN

FOUNDER & MANAGING DIRECTOR

B.Sc. in Textile Engineering | 21+ Years of Industry Experience

BUILDING VALUE ACROSS THE TEXTILE SUPPLY CHAIN

Bangladesh has emerged as one of the world's leading textile manufacturing destinations. As production standards continue to evolve, manufacturers require more than chemical suppliers—they require technical partners capable of improving efficiency, reducing operational costs, and delivering consistent quality.

Protex Color-Chem fulfills that role by integrating internationally recognized technologies with local technical expertise to create measurable value throughout the textile manufacturing process.

ITEMA - 2023
Milano, Italy

A DECADE OF SUSTAINABLE GROWTH WITH

TECHNICAL EXPERTISE

Experienced engineering team delivering measurable production improvements.

INTERNATIONAL PARTNERSHIPS

Exclusive collaborations with globally recognized manufacturers.

DIVERSIFIED PORTFOLIO

Comprehensive solutions covering the complete textile manufacturing process.

STRONG MARKET POSITION

Serving Bangladesh's expanding textile industry with reliable nationwide distribution.

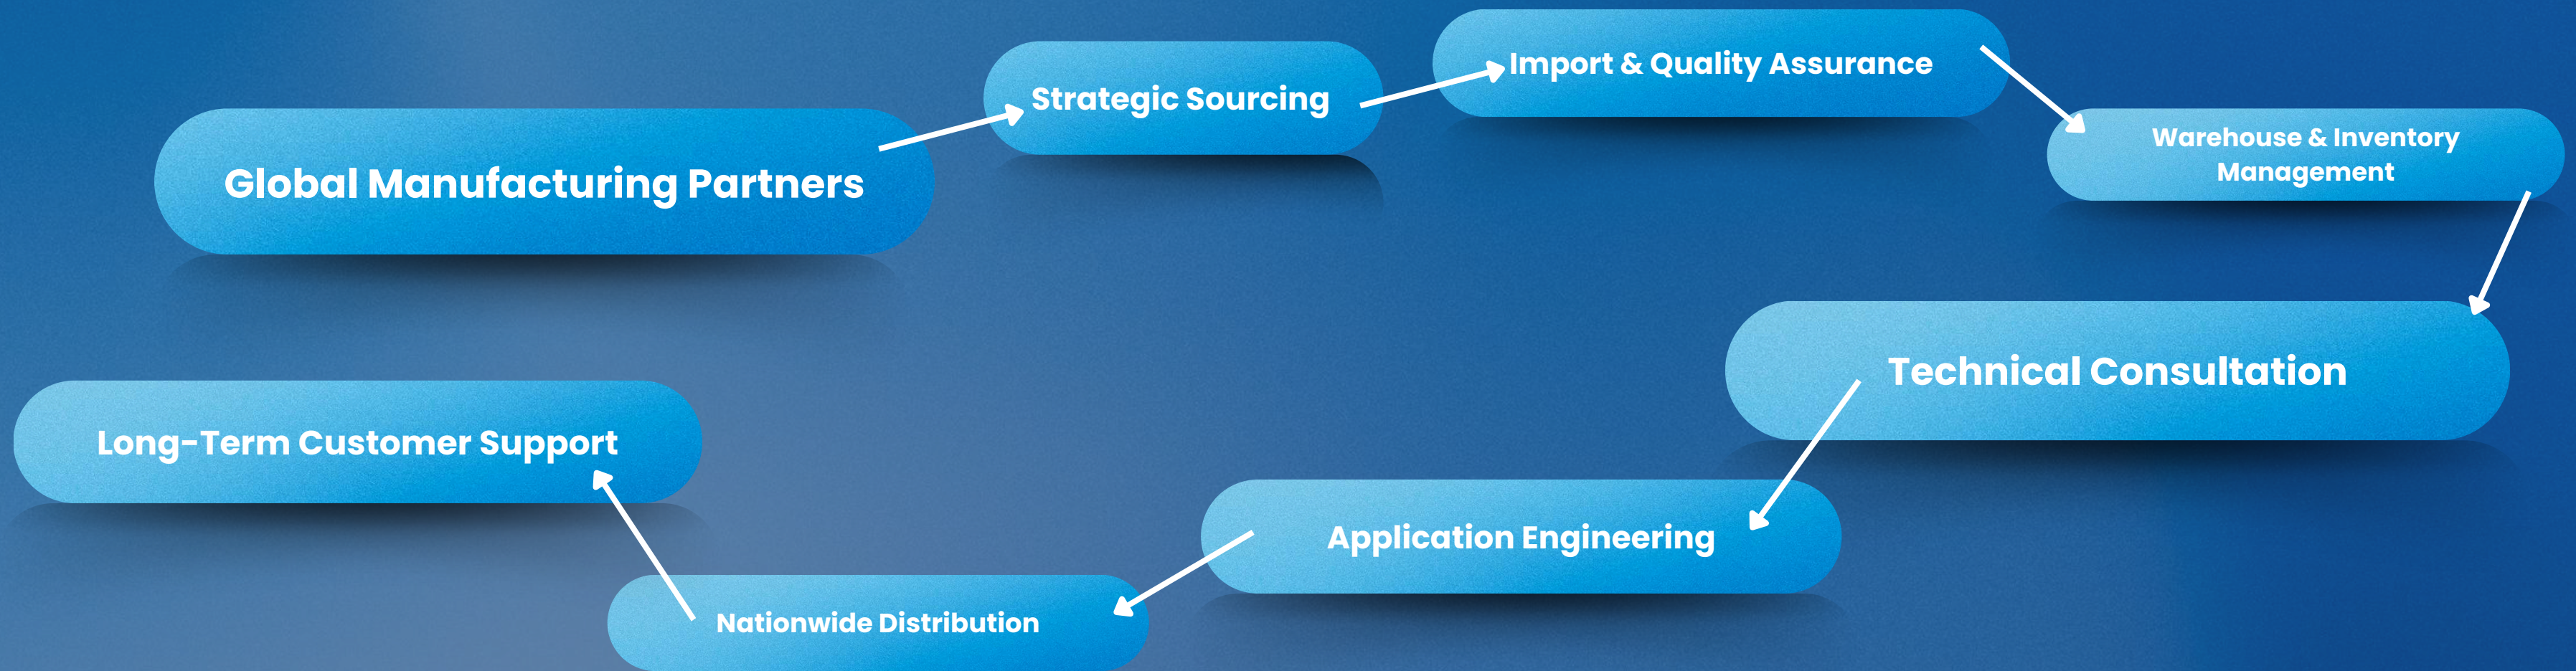

SCALABLE BUSINESS MODEL

Asset-light distribution supported by technical services enables sustainable growth.

LONG-TERM CUSTOMER RELATIONSHIPS

Focused on recurring business through consistent quality and technical support.

DELIVERING VALUE ACROSS THE TEXTILE MANUFACTURING VALUE CHAIN

We create value by combining international technology, engineering expertise, and dependable supply chain management to improve our customers' operational performance and long-term competitiveness.

COMPLETE TEXTILE CHEMICAL SOLUTIONS WITH

Product Portfolio

PRETREATMENT

Detergents, Wetting Agents, Sequestering Agents, Peroxide Stabilizers

TEXTILE DYES

Reactive Dyes, Disperse Dyes, Levelling Agents, Soaping Agents

FINISHING

Silicone Softeners, Functional Finishes, Fixing Agents

DENIM PROCESSING

Indigo Processing Chemicals, Enzymes, Softeners

TEXTILE PRINTING

Binders, Pigments, Thickeners, Printing Auxiliaries

GARMENT WASHING

Biopolishing, Bleaching Systems, Neutralizers

At Protex Color-Chem, we offer a comprehensive portfolio of specialty chemicals, dyes, and technical services that support every stage of textile manufacturing—from pretreatment to finishing. Our integrated solutions help manufacturers achieve superior product quality, operational efficiency, and sustainable production.

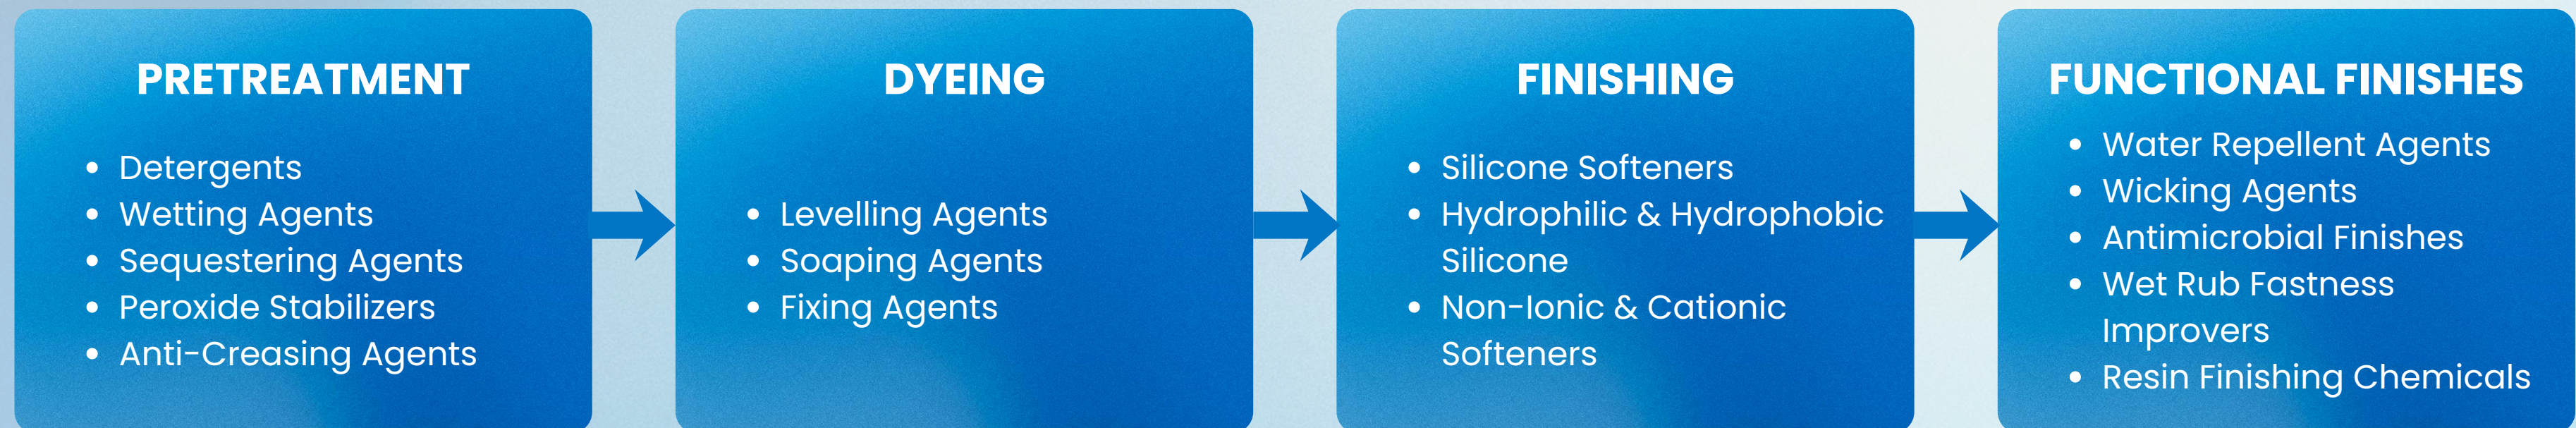

- ✓ Improved Dyeing Performance
- ✓ Enhanced Fabric Quality
- ✓ Reduced Processing Time
- ✓ Better Cost Efficiency
- ✓ Sustainable Manufacturing

TEXTILE AUXILIARIES – ENHANCING EVERY PROCESS

Engineered to Improve Performance from Pretreatment to Finishing

Our textile auxiliaries are developed to optimize every stage of textile processing, ensuring consistent quality, improved efficiency, and enhanced fabric performance. Each solution is designed to support modern textile manufacturers in achieving reliable production outcomes.

- ✓ Uniform Dye Uptake
- ✓ Superior Softness & Handle
- ✓ Improved Fastness
- ✓ Enhanced Fabric Durability
- ✓ Sustainable Processing

ADVANCED DYE SOLUTIONS

Precision Color. Consistent Performance.

Protex Color-Chem supplies high-performance dye solutions that deliver brilliant shades, excellent fastness, and reliable reproducibility across a wide range of textile applications.

- ✓ High Color Consistency
- ✓ Excellent Fastness
- ✓ Cost-Effective Dyeing
- ✓ Wide Shade Availability
- ✓ Global Quality Standards

Reactive Dyes	Disperse Dyes
Cotton & Cellulosic Fibres	Polyester & Synthetic Fibres
High Fixation	High Temperature Stability
Excellent Wash Fastness	Superior Light Fastness
Brilliant Shade Range	Uniform Dye Penetration

PRODUCT HIGHLIGHTS

REACTIVE DYES

- Reds
- Yellows
- Blues
- Blacks
- Turquoise

DISPERSE DYES

- Brown
- Olive
- Grey
- Crimson
- Yellow
- Blue
- Royal Blue
- Black
- Turquoise

SPECIALIZED SOLUTIONS FOR DENIM, GARMENTS & PRINTING

Creating Value Beyond Conventional Textile Processing

Protex Color-Chem provides specialized chemical systems designed to meet the evolving needs of denim manufacturers, garment washing facilities, and textile printing operations.

- ✓ Fashion-Driven Finishing Effects
- ✓ Higher Productivity
- ✓ Sustainable Processing
- ✓ Consistent Product Quality
- ✓ Enhanced Customer Satisfaction

DENIM PROCESSING

- Indigo Processing Chemicals
- Desizing Solutions
- Cellulase Enzymes
- Softeners
- Finishing Chemicals

TEXTILE PRINTING

- AOP Printing Chemicals
- Pigments
- Binders
- Thickeners
- Plastisol
- Elastisol
- Specialty Printing Auxiliaries

GARMENT WASHING

- Anti-Back Staining Agents
- Biopolishing Enzymes
- Fading Enzymes
- Bleaching Systems
- Neutralizers

TECHNICAL EXCELLENCE THAT CREATES COMPETITIVE ADVANTAGE

Beyond Products. Delivering Complete Technical Solutions.

At Protex Color-Chem, every product is supported by practical technical expertise. Our engineering team works closely with customers to improve process efficiency, solve production challenges, and maximize product performance.

OUR TECHNICAL SUPPORT SERVICES

- Process Consultation
- Recipe Development
- Shade Matching Support
- Laboratory Evaluation
- Factory Trials
- Production Optimization
- Technical Training
- After-Sales Technical Assistance

Why Customers Trust Us

ENGINEERING EXPERTISE

Providing practical solutions backed by industry experience.

RESPONSIVE SUPPORT

Fast technical assistance when customers need it most.

CUSTOMER PARTNERSHIP

Focused on long-term relationships and shared success.

CONTINUOUS IMPROVEMENT

Helping manufacturers enhance efficiency and reduce operational costs.

"Our commitment extends beyond supplying chemicals—we partner with our customers to improve performance, solve challenges, and create lasting value."

GLOBAL PARTNERSHIPS & SUPPLY CHAIN EXCELLENCE

Building Strong Partnerships. Delivering Consistent Performance.

Protex Color-Chem collaborates with internationally recognized manufacturers to bring advanced textile chemistry and reliable product quality to Bangladesh's textile industry. Our strategic partnerships enable us to provide innovative solutions while maintaining a dependable supply chain.

Strategic Partners

INT International Inc. (Taiwan)
Exclusive Partner for disperse dyes.

ROSSARI BIOTECH LIMITED

Rossari Biotech Limited (India)
Exclusive Partner for specialty textile auxiliaries.

Bodal Chemicals Ltd. (India)
Authorized Partner for reactive dyes.

OPERATIONAL EXCELLENCE

Built on Reliability, Driven by Performance

At Protex Color-Chem, operational excellence is the foundation of customer confidence. Our warehousing, inventory management, and technical support systems are designed to ensure uninterrupted supply, product integrity, and responsive service.

Core Operational Strengths

STRATEGIC INVENTORY MANAGEMENT

Maintaining adequate stock to meet customer demand without delays.

QUALITY STORAGE FACILITIES

Proper ventilation, safe handling, and controlled storage conditions.

EFFICIENT LOGISTICS

Timely delivery across Bangladesh through an organized distribution network

TECHNICAL SUPPORT TEAM

Dedicated textile engineers providing on-site assistance and application guidance.

Reliable Products. Responsive Service. Consistent Performance.

BUSINESS PERFORMANCE DASHBOARD

"Our strength lies not only in the products we supply, but in the value we create through technical expertise and trusted partnerships."

KPI	Performance
Years in Business	11+
Industry & Business Experience (Founder)	22+ Years
Global Strategic Partners	3
Technical Engineers	7
Product Portfolio	100+ Solutions
Staff Panel	20
Customers Served	70+
Geographic Coverage	Nationwide

AWARDS, RECOGNITION & MILESTONES

Recognized for Excellence. Driven by Continuous Growth.

At Protex Color-Chem, we believe the greatest recognition comes from the trust of our customers and partners. Every milestone reflects our commitment to quality, technical expertise, and long-term value creation for Bangladesh's textile industry.

Key Milestones & Recognition

**Best Partnership Award from Rossari Biotech
at Dhaka, Bangladesh, Nov-2025**

**Hotel Amari Dhaka , Bangladesh,
Technical seminar arrange by PROTEX COLOR-CHEM
& Rossari Biotech Ltd on. 24th April-2024**

Our Vision for the Future

Driving the Next Chapter of Growth

Our vision for the future is to become the world's most trusted and innovative textile chemical solutions provider, recognized for delivering advanced technologies, sustainable chemistry, and engineering excellence. By continuously investing in innovation, strategic partnerships, and customer success, we aim to empower the textile industry with smarter solutions that drive productivity, global competitiveness, and long-term sustainable growth.

THANK YOU

Thank you for your interest in Protex Color-Chem.

We look forward to collaborating with textile manufacturers, global partners, and stakeholders to deliver innovative solutions that drive performance, sustainability, and long-term success.
